Welcome

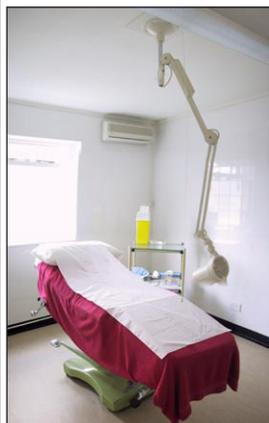

This old established practice originally based in Demense Road, moved to the present purpose-built premises in 1977. In order to accommodate the developments which have taken place in general practice it has been necessary to increase the size of the premises. Consequently an adjacent flat was purchased in 1992 and converted to provide an administration office and a large conference room. In 1996 another flat was purchased and now provides a large lecture room, which is used extensively for GP education and administration.

If you would like to register and you are within our practice boundaries, please contact a receptionists who will be able to help you with this process. You will need to fill in a registration form, health questionnaire and book for a new patient check.

To book an appointment to access a doctor or nurse please ring us on our main numbers. We offer a pre booking appointment system with same day appointments for urgent patients. We offer open access to children below the age of 5 in the mornings. If you are worried about your child don't hesitate to bring them in.

Your local pharmacist

Your local pharmacist will be able to give you free health advice at any time. Many pharmacies operate extended hours on a rota basis and is also involved with smoking and long term conditions

Accident and emergency/999

If you or someone else experiences severe chest pain, loss of blood or suspected broken bones, go to your nearest accident and emergency department or call 999. Accident and emergency departments are open 24 hours a day, 365 days a year and can assess serious injuries and provide emergency treatment.

Other Information

Repeat Prescribing

We offer Repeat Prescribing in our surgery. Whenever you would like a drug to be prescribed on the script, simply tick the box and leave it in the wooden container to the right of the reception desk. It will then be processed and your script should be ready for collection within 48 Hours. If you would prefer to have the prescription posted to you, please send a letter with a stamped addressed envelope. We also offer prescription requests online. Please contact the surgery for more information

Concerns/Complaints

Park Road Medical Centre aims to give a friendly and professional service to all our patients. However, if you have any concerns about any aspect of our service, please let us know. Speak to whomever you feel most comfortable – your GP or our reception staff will be happy to help. In the majority of cases, concerns can be resolved quite easily. We can handle your concerns either verbally or in writing. Dr Raza Toosy, GP Principal (0208 647 4485) deals with all complaints. However, if you feel we have not dealt with the issues you have raised as you would wish, you can write to the Complaints Manager at Sutton and Merton PCT
